

Driving Instructions to the Aerostar Balloon Plant

Depending on where you are in Dallas, you will either take I-35 South to I-30 East, or take I-635 around to I-30 East. Take I-30 all the way to Sulphur Springs. Take Exit 127 which is on the far East side of town. Turn North on Loop 301 and travel about 3/4 mile until you come to railroad tracks. Immediately after the tracks, you will turn right (heading East again) on Compactor Road - a county road that goes parallel to the tracks. Note: Some older maps may list Compactor Road as County Road 3500 or McKinsey Drive. Go about 1/2 mile on that road and you will be facing our plant. It is a long white building with red trim. The blue & white "Aerostar International" sign will be out front. If you have a GPS, the coordinates are: 33.1717 N, 95.5663 W. You can't miss it. If you have any trouble, call me at 903-885-0728.

The recommended places to stay are the Best Western Traildust Inn. (903) 885- 7515, the Days Inn (903) 885-0562 or the Comfort Suites (903) 438-0918. All are located at exit 127 on opposite sides of I-30.
